Office of the Deputy Commissioner,
Mysore District,

Dated, Mysore, the 15th December 24.

From

A. V. Ramanathan, Esq., B.A.,

Deputy Commissioner, Mysore District,

M y s o r e.

K. V. Anantharaman, Esq., B.A.,

Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department,

B a n g a l o r e.

Sir,

I have the honour to state that it has been directed in para 3 of Government Order R.1020-1228/R.M.3-24-54 dated the 8th August 1924 that a well should be provided for each new village at Government cost so that the people affected by floods may not be put to any inconvenience. The number of villages affected by the Floods and requiring shifting is about 53 villages (excluding Inam villages). In the case of 36 villages, the acquisition of lands required for the purpose has been already sanctioned by the Government. The number of wells that is required for each new village, will be not less than two, one for Uttamas and the other for the lanchamas, though requisitions have been received for providing wells castewar. As the wells to be sunk for Uttamas require more pulleys than one, the cost of each such well may exceed Rs.500. Taking the average cost of each well to be sunk in the new extensions at Rs.400, I have the honour to request that sanction of Government may be kindly obtained to place at my disposal for the present a sum of Rs.25,000 for sinking wells to enable me to sanction estimates forthwith. Application will be made for further allotment of funds if deemed necessary after the above amount is nearly utilised.

I have the honour to be,

Sir,

Your most obedient servant,
